I'm on another planet
 I made another universe
 You may not understand it
 Sooner or later baby you will learn
 I like you, put your number,
 put your number in
 my phone, phone, phone
 You heard me wrestle, call me, call me when you're all alone

Don't make bets
 Come on with me we stay up all night long
 I want you win, I want you bad
 Let's hit the party, going all night long
 Let's hit the party, going all night long
 All night long, all night long, all night long

[Missy Elliott]
 We could party all night night
 Wanna spend a night, night
 Will you be my type by the end of the night, we could pillow fight
 Your missy's real nice, come closer, cause I don't bite
 You talking how I like, you play diddy I play white
 I'm so alone, no one is home
 I got your number on my telephone
 Wanna wanna wanna be your girl
 Wanna wanna wanna be my babe
 Boy we could hold hands it's the weekend don't make plans
